Notice Regarding Preliminary Consolidated Financial Results for the Six Months Ended September 30, 2026 (Summary)

Although the financial closing procedures of the Company and its group have not yet been completed, in order to proactively provide timely and appropriate disclosure of information to our shareholders and investors, we hereby announce the preliminary financial results (under Japanese GAAP) of the Group for the six months ended September 30, 2026 (from April 1, 2026 to September 30, 2026), as set forth below. The Company currently plans to announce its actual consolidated financial results for the six months ended September 30, 2026 on November 11, 2026.

Preliminary Consolidated Financial Results (under Japanese GAAP) of the Group for the Six Months Ended September 30, 2026 (from April 1, 2026 to September 30, 2026)

		(Actual) Six months ended September 30,2025 (from April 1, 2025 to September 30, 2025)	(Preliminary) Six months ended September 30,2026 (from April 1, 2026 to September 30, 2026)	YoY Change (%)
Ordinary income	(Millions of yen)	69,211	78,631	13.6
Ordinary profit	(Millions of yen)	7,307	9,209	26.0
Profit attributable to owners of parent	(Millions of yen)	2,254	2,587	14.8
Basic earnings per share	(yen)	90.82	104.26	-

Ordinary income is expected to increase by ¥9,420 million year on year to ¥78,631 million (up 13.6% year on year), mainly driven by steady growth in the number of policies in force across all business segments. Reflecting this revenue growth, ordinary profit is expected to increase by ¥1,902 million year on year to ¥9,209 million (up 26.0% year on year). Profit attributable to owners of the parent is expected to increase by ¥333 million year on year to ¥2,587 million (up 14.8% year on year). Although income taxes are expected to increase, the impact is expected to be more than offset by solid revenue growth.

The financial information presented in this document has been prepared based on information available as of the date of this release and is preliminary and unaudited. The actual financial results for the relevant period may differ from these preliminary figures due to various factors.
